Carlo and I would like to thank you for singing at our church ceremony. The first time we heard you we thought your voice was exceptional and had to have you sing at our wedding. We had many comments from our guests of what a beautiful singer we had. Leading up to the wedding you were very professional and accomodating and we look forward to the video so we can enjoy your voice over and over!

It was a pleasure to meet you and we wish you all the best.

Thank you

I just wanted to say a huge THANK YOU for the outstanding service and music you provided for my wedding..

Everyone kept talking about how classy and superb you were especially when you sang Ave Maria as I was walking down the aisle, brought a tear to my eye...

Everything was perfect, I definitely will be recommending you to family and friends...

Once again, thank you so much for everything Georgina..

Georgina was extremely professional and her voice majestic for our wedding at St Mary's Cathedral. She

rehearsed with the string quartet prior to the wedding to ensure perfection for the ceremony and assisted us with selection of music. But what made her contribution to our day particularly special was that she worked with us to personalise the performance and make it undeniably unforgettable.

An important aspect of the wedding day is, of course, perfection but it is just as important to enjoy the journey of the day with the people who take part in making that wedding day dream become reality and Georgina is perfection. We had so many family and friends compliment us on the radiant touch Georgina provided us with on the day.

Love Joseph and Nhi,
