BIOGRAPHY

Music is the soundtrack to your wedding celebration, a representation of your charm and grace on the day you assure your self to an another.

Your wedding day music can share those emotions which merely can not be expressed with words.

Wedding Harpist Sydney A can offer music for wedding guests while they await the arrival of the wedding celebration, making them feel special and welcome, providing a subject for conversation and putting them at ease.

Wedding Harpist Sydney A's vast repertoire ensures every component of your ceremony, from the processional to the finalising of the register and lastly the recessional, will certainly be memorable and ideal.

Wedding Harpist Sydney A will certainly work with you to discover music that you will adore, or he can make recommendations for you. Depending on the ceremony, music may be included for candle illumination, communion, and the finalising of the register.

Harp music might be favoured throughout the function, either for pre supper beverages, or throughout the wedding breakfast.
